

# Project Brief

## *I-215 West; 3500 South to 4700 South*

**2007 Legislative  
Update**

**Provided By:**

### **Project Description: CONSTRUCTION, Structure Widening**

Plans for this project include rehabilitating the 4100 South bridge on I-215 West and widening the 3800 South structures to the center of I-215. Roadwork will include pavement tie-ins at the structure endings, and area traffic lanes will be re-stripped to eliminate the existing lane shifts on I-215 at 3800 South.

**A Public Information Manager** has been hired for this project to keep local businesses, residents and commuters informed of construction impacts. For construction information call 801-661-7285, or email [I-215westbridges@comcast.net](mailto:I-215westbridges@comcast.net).
